

Pay Statement Copies in UKG

If you need copies of your pay statements at any time, you can do this in UKG.

Please log into UKG and go to the top left menu icon and select My Info > My Pay > Pay History

The first page will show you your most three recent pay statements. If you need to see a different pay statement, you can click on historical up at the top of the screen.

Questions regarding pay statements can be directed to HR Coordinator, Alivia Klein at aklein@hacap.org.
