Estate Planning Gifts Through HACAP

Support the Hawkeye Area Community Action Program (HACAP) in a meaningful way that will have a lasting impact on the lives of our neighbors across Eastern Iowa. By designating a gift to one of our key initiatives, you can help improve the well-being of our community for years to come:

- **Health & Nutrition:** Supports the HACAP Food Reservoir, Senior Dining, and WIC programs
- **Children:** Benefits the Head Start, CACFP, and Family Learning Connections programs
- **Veteran Support:** Provides assistance to homeless veterans in our community
- **Energy Conservation:** Contributes to the Energy Assistance program to help with utility bills
- **Homelessness:** Supports the Affordable Housing program

Please contact our Chief Financial Officer to confirm the designation of your estate gift, ensuring that the intended program or fund remains active at the time of your bequest. For assistance in incorporating HACAP into your estate plan, please consult with your financial planner. Below are the details you will need to reference when considering a legacy gift to HACAP:
