There will be No Evening Meal planned for February

We received several requests for Roast Beef on our recent site survey. In order to serve this popular expensive menu item, we will be serving the entrée through the service window. Only one serving of Roast Beef will be served per person unless an additional meal or meals are purchased. You may still consume as much of the other buffet items as you like at no additional cost. We hope that you support our efforts to serve this meal which many have requested.
