A MESSAGE FROM OUR CEO

“Community Action changes people’s lives, embodies the spirit of hope, improved communities and makes America a better place to live. We care about the entire community, and are dedicated to helping people help themselves and each other.” These words make up the Community Action Promise, which is our oath as we work together to make life better for at risk people. During this last year, we touched the lives of over 55,000 people through one or more of our agency services, as well as distributed over 9 million pounds of food to partner agencies as they worked to feed the hungry.

HACAP has tremendous support within our community from volunteers, advocates, and friends who give generously in support of helping others. Our talented team members give of themselves as they put forth efforts to provide quality services to our clients that support them in improving their lives.

I hope you enjoy reading through our Annual Report and learning more about HACAP. Together, we are “all in” as we work side by side to provide opportunities for at risk people to succeed.

Thank you for all that you do to make HACAP the great organization it is.
