The Division of Community Action Agencies (DCAA) included and involved the Iowa Community Action Association (ICAA) and Iowa’s community action agencies in the development of this State Plan. The following are the steps the DCAA took to involve ICAA and the agencies:

February 28, 2019: The DCAA Administrator and DCAA CSBG Program Managers attended the Iowa Commission on Community Action Agencies’ commission meeting. At that meeting, the timeline for developing and submitting the State Plan was established.

March 4, 2019: A DCAA CSBG Program Manager attended the agencies’ ROMA Subgroup webinar meeting. The CSBG Program Manager provided information about the State Plan and reviewed the State Plan development timeline.

April 1, 2019: The DCAA Administrator and a DCAA CSBG Program Manager attended ICAA’s Board of Directors’ meeting. The CSBG Program Manager provided information about the State Plan, the DCAA’s State Plan development process, and distributed and reviewed the State Plan development timeline. The DCAA’s State Plan development process included State Plan updates to ICAA and the agencies’ Executive Directors, and opportunities for ICAA, the Executive Directors, and ROMA Subgroup members to be involved in the State Plan development.

April 18, 2019: The DCAA CSBG Program Managers attended the agencies’ ROMA Subgroup meeting. A CSBG Program Manager provided information about the State Plan, the DCAA’s State Plan development process, and distributed and reviewed the State Plan development timeline.

June 6, 2019: The DCAA Administrator and a DCAA CSBG Program Manager attended ICAA’s Board of Directors’ meeting. The CSBG Program Manager provided a progress update on the development of the State Plan, distributed and reviewed the State Plan development timeline and a two page document that summarizes each section of the State Plan. The DCAA Administrator and CSBG Program Manager also fielded State Plan questions at the meeting.

July 22, 2019: The DCAA distributed, through e-mail, copies of the draft State Plan and two page document that summarizes each section of the State Plan to ICAA, the Executive Directors, and ROMA Subgroup members.

August 1, 2019: ICAA’s Board of Directors’ meeting.

Prior to the DCAA submitting the State Plan to the Office of Community Services, the Iowa Commission on Community Action Agencies will review the State Plan, and act on it during their August 13th meeting.

3.4b. Performance Management Adjustment: How has the State adjusted State Plan development procedures under this State Plan, as compared to past plans, in order 1) to encourage eligible entity participation and 2) to ensure the State Plan reflects input from eligible entities? Any adjustment should be based on the State’s analysis of past performance in these areas, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.

Note: This information is associated with State Accountability Measures 1Sb(i) and (ii) and may pre-populate the State’s annual report form.
On Iowa’s 2015 American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with the States Survey report, the Division of Community Action Agencies (DCAA) scored a 67 for Development of CSBG State Plan. Within the Development of CSBG State Plan category, the DCAA scored a 60 for Extent of Involvement. ACSI scores of 60-69 are considered average, 70-79 good.

The DCAA met with the Iowa Community Action Association (ICAA) and Iowa’s community action agency Executive Directors in February 2017. At that meeting, the group established a FFY 2018-2019 State Plan development timeline that included the DCAA’s State Plan development process. The process included State Plan progress updates to ICAA and the agencies’ Executive Directors, and opportunities for ICAA, the Executive Directors, and ROMA Subgroup members to be involved and contribute in the development of the State Plan.

In August 2017, the DCAA received its 2017 ACSI report. On this report, the DCAA scored an 85 for Development of CSBG State Plan. Within the Development of CSBG State Plan category, the DCAA scored an 85 for Extent of Involvement and an 82 for Reflects your Input. ACSI scores of 80-89 are considered excellent, 90-100 exceptional.

The DCAA met with ICAA and the Executive Directors in December 2017. At that meeting, Iowa’s 2015 and 2017 ACSI reports were reviewed and discussed. From that discussion, the DCAA, ICAA, and the Executive Directors decided not to make an additional changes to the DCAA’s State Plan development process. Therefore, for this State Plan, the DCAA used the State Plan development process that was established with ICAA and the Executive Directors in February 2017.

**2019 ACSI report information will be included here.**

Based on a review of these results, the DCAA will determine if changes to its State Plan development procedures should be made. Any changes the DCAA decides to make will be included here.

### 3.5. Eligible Entity Overall Satisfaction

Provide the State’s target for eligible entity Overall Satisfaction during the performance period: ____.

**97**

The following are the Overall Satisfaction scores from Iowa’s American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with the States Survey reports: 92 (2015 ACSI), 97 (2017 ACSI), and **xx** (2019 ACSI). ACSI scores of 80-89 are considered excellent, 90-100 exceptional.

**For this performance period, the Division of Community Action Agencies (DCAA) set its target for agency overall satisfaction at 97. The DCAA’s target score is a maintenance goal.**

**2019 ACSI report information will be included here.**

**Instructional Note: 90 percent funds** are the funds a State provides to eligible entities to carry out the purposes of the CSBG Act, as described under Section 675C of the CSBG Act. A State must provide “no less than 90 percent” of their CSBG allocation, under Section 675B, to the eligible entities.

Other:
Iowa’s community action agencies are required to complete and submit a CSBG Community Action Plan and Application annually. The application includes CSBG organizational standards compliance requirements.

6.4. How will the State assess eligible entities against organizational standards, as described in IM 138? [Check all that applies]

☐ Peer-to-peer review (with validation by the State or State-authorized third party)
☐ Self-assessment (with validation by the State or State-authorized third party)
☐ Self-assessment/peer review with State risk analysis
☐ State-authorized third party validation
☐ Regular, on-site CSBG monitoring
☐ Other
6.4a. Describe the assessment process.

The Division of Community Action Agencies (DCAA) conducts CSBG organizational standards onsite assessments at each Iowa community action agency triennially (at least once during a three (3) year period). Onsite assessments are conducted at the same time regular CSBG program operations onsite reviews are conducted. Once the DCAA completes an onsite assessment, the DCAA issues a report no later than 60 calendar days following the onsite review exit meeting.

Desk-Monitoring (Desk-Reviews)
Agency documents and materials that are (or can be made) readily available to the DCAA, are necessary for completing the onsite assessment, and do not require the DCAA to visit the agency to inspect and assess, may be reviewed at the DCAA office as part of the agency’s onsite assessment.

Agencies that are not scheduled to receive an onsite assessment during a federal fiscal year are required to complete and submit a CSBG organizational standards agency self-assessment. The DCAA provides instructions, guidance, and an agency self-assessment instrument for those agencies to complete and submit. The DCAA reviews and validates, through a desk-review process, all agency self-assessments and issues a report no later than 60 calendar days following the receipt of the agency self-assessment.

The DCAA’s onsite reviews and assessments schedule is provided in Section 10 (10.1). Full onsite reviews and assessments include a regular CSBG program operations onsite review and a CSBG organizational standards onsite assessment. The 12 agencies that are not scheduled for a review and assessment (no review) in FFY 2020, and the 11 agencies that are not scheduled for a review and assessment (no review) in FFY 2021, will be required to complete and submit a CSBG organizational standards agency self-assessment as directed by the DCAA.

GUIDING PRINCIPALS
The DCAA conducts its onsite assessments according to the three CSBG monitoring principles: 1) mutual respect, 2) open communication, and 3) joint problem solving. The monitoring principles are defined in the National Association for State and Community Services Programs – CSBG Monitoring Standards.

6.5. Will the State make exceptions in applying the organizational standards for any eligible entities due to special circumstances or organizational characteristics, as described in IM 138? ■ Yes □ No

6.5a. If yes was selected in item 6.5, list the specific eligible entities the State will exempt from meeting organizational standards, and provide a description and a justification for each exemption.

Public eligible entities are not required to complete and submit an IRS Form 990 to the Internal Revenue Service. Therefore, Iowa’s public community action agencies are exempt from CSBG Organizational Standard 8.6, “The IRS Form 990 is completed annually and made available to the governing board for review.” Iowa has one public agency.

6.6. Performance Target: What percentage of eligible entities in the State does the State expect will meet all the State-adopted organizational standards in the next year?

100%

**FFY 2020 CSBG Allotment [Distribution and Agency Allocations] (Attachment J)**

7.3. **Distribution Process**: Describe the specific steps in the State’s process for distributing 90 percent funds to the eligible entities and include the number of days each step is expected to take; include information about State legislative approval or other types of administrative approval (such as approval by a board or commission).

Iowa law (2019 Iowa Acts, House File 756) addresses and provides the requirements for how Iowa’s FFY 2020 and FFY 2021 CSBG allotments are to be distributed and allocated by the Division of Community Action Agencies (DCAA).

Ninety-six percent (96%) of the CSBG allotments must be distributed to Iowa’s community action agencies, four percent (4%) to the DCAA for administration, and zero percent (0%) for remainder/discretionary uses.
The following are the DCAA’s formula requirements for allocating Iowa’s CSBG allotment to the agencies. The allocation formula requirements were developed by a committee of DCAA staff, commissioners from the Iowa Commission on Community Action Agencies, the Iowa Community Action Association, and the Executive Directors from Iowa community action agencies.

1. **96% of Iowa’s CSBG allotment is allocated to the agencies by poverty-level population percentages.** Poverty data (individuals at or below 125% of the U. S. Department of Health and Human Services Poverty Guidelines) from the U. S. Census Bureau’s 2010 American Community Survey was used to calculate each agency’s poverty-level population percentage.

2. The minimum allocation amount is $160,000. Agencies that experienced an increase in their percentage of the state poverty-level population subsidize the minimum allocation level requirement. Agency poverty-level population percentage changes were calculated using the data from the U. S. Census Bureau’s 2000 survey and the U. S. Census Bureau’s 2010 American Community Survey.

3. If Iowa’s annual FFY 2020 or FFY 2021 final CSBG allotment is less than $6.57 million, the committee may revisit and act on the allocation formula requirements.

The DCAA’s steps for allocating 96% of Iowa’s CSBG funds to the agencies:

1. Prior to the start of the federal fiscal year the DCAA issues a CSBG contract to each agency.
   - Agencies are issued a contract after their annual CSBG Community Action Plan and Application is accepted by the DCAA.
   - Contracts include the agency’s projected CSBG allocation and a project budget that equals the projected allocation amount.

2. Within 30 calendar days of receipt of Iowa’s final CSBG allotment amount from the U. S. Department of Health and Human Services, Administration for Children and Families (ACF), the DCAA distributes the allotment, calculates final agency allocations, and then notifies each agency of their final allocation amount for the federal fiscal year.

3. Using their final allocation amount, agencies are allowed at least 30 calendar days from the DCAA’s notification to prepare and submit a CSBG budget amendment request. Once a request is received and approved by the DCAA, the DCAA issues a contract amendment that includes the agency’s final allocation amount and amended project budget. The DCAA issues contract amendments within 30 calendar days of the DCAA’s receipt of the request.

**NOTE:** Within 30 calendar days of receiving any CSBG grant award notice from ACF, the DCAA distributes the CSBG funds, calculates the amount of funds available for each agency, and then notifies each agency of their amount. The amount the DCAA provides to each agency is the maximum amount of funds available for the agency to request until the DCAA receives additional CSBG grant award notices from ACF.

**7.4. Distribution Timeframe:** Does the State plan to make funds available to eligible entities no later than 30 calendar days after OCS distributes the Federal award?  ■ Yes  □ No

**Note:** Item 7.4 is associated with State Accountability Measure 2Sa and may pre-populate the State’s annual report form.

**7.4a.** If no, describe State procedures to ensure funds are made available to eligible entities consistently and without interruption.

7.5. **Performance Management Adjustment**: How is the State improving grant and/or contract administration procedures under this State Plan as compared to past plans? Any improvements should be based on analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any improvements, provide further detail.

**Note**: This information is associated with State Accountability Measure 25b and may pre-populate the State’s annual report form.

On Iowa’s 2017 American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with the States Survey report, the Division of Community Action Agencies (DCAA) scored 96 for Distribution of Funds. This was the national maximum score.

**2019 ACSI report information will be included here.**

The following distribution of funds goal is in Iowa's FFY 2018-2019 CSBG State Plan and Application. The DCAA met this goal in FFY 2018 and FFY 2019.

**DISTRIBUTION OF FUNDS**
The DCAA will make CSBG funds available to Iowa’s community action agencies within 30 calendar days of receipt of a CSBG grant award notice from the U. S. Department of Health and Human Services, Administration for Children and Families.

Based on a review of these results, the DCAA will determine if changes to its process for distributing CSBG funds to the agencies should be made. Any changes the DCAA decides to make will be included here.

**Administrative Funds** [Section 675C(b)(2) of the CSBG Act]

7.6. What amount of State CSBG funds does the State plan to allocate for administrative activities, under this State Plan? The estimate may be in dollars or a percentage.

4 percent

7.7. How many State staff positions will be funded in whole or in part with CSBG funds under this State Plan?

5 (CSBG Program Managers (2), Division of Community Action Agencies (DCAA) Administrator, DCAA Administrative Assistant, and DCAA Budget Analyst)

7.8. How many State Full Time Equivalents (FTEs) will be funded with CSBG funds under this State Plan?

2.11 (CSBG Program Manager 1.00 FTE, CSBG Program Manager 0.30 FTE, Division of Community Action Agencies (DCAA) Administrator 0.33 FTE, DCAA Administrative Assistant 0.33 FTE, and DCAA Budget Analyst 0.15 FTE)
Remainder/Discretionary Funds [Section 675C(b) of the CSBG Act]

7.9. Does the State have remainder/discretionary funds? □ Yes □ No

If yes was selected, describe how the State plans to use remainder/discretionary funds in the table below.

**Note:** This response will link to the corresponding assurance, item 14.2.

**Instructional Note:** The assurance under 676(b)(2) of the Act (item 14.2 of this State Plan) specifically requires a description of how the State intends to use remainder/discretionary funds to “support innovative community and neighborhood-based initiatives related to the purposes of [the CSBG Act].” Include this description in row “f” of the table below and/or attach the information. If a funded activity fits under more than one category in the table, allocate the funds among the categories. For example, if the State provides funds under a contract with the State Community Action association to provide training and technical assistance to eligible entities and to create a statewide data system, the funds for that contract should be allocated appropriately between row a and row c. If allocation is not possible, the State may allocate the funds to the main category with which the activity is associated.

**Note:** This information is associated with State Accountability Measures 3Sa; the responses may pre-populate the State’s annual report form.

8.2. Does the State have in place Technical Assistance Plans (TAPs) or Quality Improvement Plans (QIPs) for all eligible entities with unmet organizational standards, if appropriate? □ Yes □ No

NOTE: As of the date this State Plan was submitted, none of Iowa’s community action agencies have a TAP or QIP in place for unmet CSBG organizational standards.

Note: 8.2 is associated with State Accountability Measure 65b. QIPs are described in Section 678C(a)(4) of the CSBG Act. If the State, according to their corrective action procedures, does not plan to put a QIP in place for an eligible entity with one or more unmet organizational standards, the State should put a TAP in place to support the entity in meeting the standard(s).

8.3. Indicate the types of organizations through which the State plans to provide training and/or technical assistance as described in item 8.1, and briefly describe their involvement? (Check all that apply.) [Check all that applies]

8.4. Performance Management Adjustment: How is the State adjusting the training and technical assistance plan under this State Plan as compared to past plans? Any adjustment should be based on the State’s analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. N/A (Iowa’s CSBG Program does not have remainder/discretionary funds.)

Iowa’s CSBG Program does not have remainder/discretionary funds to support Community Action training and technical assistance activities (see Section 7 (7.3 and 7.9)). Therefore, Use of Discretionary Funds scores and feedback from Iowa’s American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with States Survey reports do not apply.
SECTION 9
State Linkages and Communication

Note: This section describes activities that the State may support with CSBG remainder/discretionary funds, described under Section 675C(b)(1) of the CSBG Act. The State may indicate planned use of remainder/discretionary funds for linkage/communication activities in Section 7, State Use of Funds, items 7.9(b) and (c).

9.1. **State Linkages and Coordination at the State Level:** Describe the linkages and coordination at the State level that the State plans to create or maintain to ensure increased access to CSBG services to low-income people and communities under this State Plan and avoid duplication of services (as required by the assurance under Section 676(b)(5)). Describe or attach additional information as needed. [Check all that apply from the list below]

Note: This response will link to the corresponding CSBG assurance, item 14.5. In addition, this item is associated with State Accountability Measure 7Sa and may pre-populate the State’s annual report form.

- State Low Income Home Energy Assistance Program (LIHEAP) office
- State Weatherization office
- State Temporary Assistance for Needy Families (TANF) office
- State Head Start office
- State public health office
- State education department
- State Workforce Innovation and Opportunity Act (WIOA) agency

9.2. **State Linkages and Coordination at the Local Level:** Describe the linkages and coordination at the local level that the State plans to create or maintain with governmental and other social services, especially antipoverty programs, to assure the effective delivery of and coordination of CSBG services to low-income people and communities and avoid duplication of services (as required by assurances under Sections 676(b)(5) and (b)(6)). Attach additional information as needed.

Note: This response will link to the corresponding CSBG assurances, items 14.5 and 14.6.

The Division of Community Action Agencies (DCAA) links and coordinates efforts with governmental and social services programs. The DCAA Administrator or DCAA staff serve on the following committees or partner with the following organizations and groups that represent and make decisions that affect low-income families and individuals:

- Family Development and Self-Sufficiency Council
- Iowa Family Development Alliance
- Iowa Council on Homelessness
- Early Childhood Iowa
- Iowa Coalition Against Domestic Violence
- Prevent Child Abuse Iowa
- Iowa Legal Aid
- Equal Justice Project Advisory Council
- Federal Home Visitation Advisory Committee (MIECHV)
- Iowa Community Colleges
- National Resource Center for Family Centered Practices (University of Iowa)
- Iowa Community Action Association (Board of Directors)
- Iowa Community Action Association Conference Training Committee
- Iowa Weatherization Assistance Coordinators
- Iowa Directors of Energy Assistance
- Iowa ROMA Subgroup
- Region VII Regional Performance Innovation Consortia (RPIC)

The DCAA’s involvement with these organizations and groups results in increased coordination of programs, services, and initiatives, and assures that decisions affecting Iowa's low-income population are considered.

9.3. Eligible Entity Linkages and Coordination

9.3a State Assurance of Eligible Entity Linkages and Coordination: Describe how the State will assure that the eligible entities will coordinate and establish linkages to assure the effective delivery of and coordination of CSBG services to low-income people and communities and avoid duplication of services (as required by the assurance under Section 676(b)(5)). Attach additional information as needed.

Note: This response will link to the corresponding CSBG assurance, item 14.5.

Iowa’s community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will address this CSBG Act assurance. The explanation must include descriptions of how their agency will coordinate with governmental and other social service programs delivering employment and training services to ensure that the services are delivered effectively and without duplication, and how their agency will coordinate with their local WIOA partners. Agencies are also required to sign a certification statement acknowledging that their agency understands and agrees to this CSBG assurance.

All agencies have processes in place for establishing linkages between governmental and other social services programs in order to better coordinate the effective delivery of services to low-income families and individuals and to avoid the duplication of services. Although agencies report different processes for establishing linkages, all agencies participate in community meetings, planning coalitions, have memberships on local boards and councils, and network with state and local service providers. Through these efforts, agencies are able to establish formal and informal agreements and coordinate information with governmental and social service programs. These coordination efforts help the agencies avoid the unnecessary duplication of programs, services, and community initiatives.

In FFY 2018, Iowa’s agencies reported actively working with 5,151 public and private organizations to expand resources and opportunities in order to achieve family and community outcomes.

The Division of Community Action Agencies’ CSBG program operations onsite reviews and CSBG organizational standards onsite assessments (CSBG Organizational Standard 2.1) include verifying the agency’s community-wide partnerships and the purpose for each of those partnerships.

9.3b State Assurance of Eligible Entity Linkages to Fill Service Gaps: Describe how the eligible entities will develop linkages to fill identified gaps in the services, through the provision of information, referrals, case management, and follow-up consultations, according to the assurance under Section 676(b)(3)(B) of the CSBG Act.

Note: This response will link to the corresponding CSBG assurance, item 14.3b.

Iowa's community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will address this CSBG Act assurance. The explanation must include a description of how their agency will coordinate and link their programs and services with other service providers to ensure low-income families and individuals receive the necessary and appropriate assistance they are seeking.
All agencies have processes in place for developing, creating, and maintaining partnerships and linkages that are essential for addressing service gaps and ensuring service duplication is avoided. Although agencies report different processes for developing partnerships, all agencies participate in community meetings, planning coalitions, have memberships on local boards and councils, and network with state and local service providers. Through these meetings, memberships, and networking, agencies share and receive information regarding services and resources for low-income families and individuals, and develop partnerships with other anti-poverty organizations. These partnerships and linkages help ensure their clients will receive current information and referrals regarding available services and assistance.

The Division of Community Action Agencies’ CSBG program operations onsite reviews and CSBG organizational standards onsite assessments (CSBG Organizational Standard 2.1) include verifying the agency’s community-wide partnerships and the purpose for each of those partnerships.

9.4. **Workforce Innovation and Opportunity Act (WIOA) Employment and Training Activities:** Does the State intend to include CSBG employment and training activities as part of a WIOA Combined State Plan, as allowed under the Workforce Innovation and Opportunity Act (as required by the assurance under Section 676(b)(5) of the CSBG Act)?

☐ Yes  ■ No

**Note:** This response will link to the corresponding CSBG assurance, item 14.5.

9.4a If the State selected “yes” under item 9.4, provide the CSBG-specific information included in the State’s WIOA Combined Plan. This information includes a description of how the State and the eligible entities will coordinate the provision of employment and training activities through statewide and local WIOA workforce development systems. This information may also include examples of innovative employment and training programs and activities conducted by community action agencies or other neighborhood-based organizations as part of a community antipoverty strategy.

N/A

9.4b If the State selected “no” under item 9.4, describe the coordination of employment and training activities, as defined in Section 3 of WIOA, by the State and by eligible entities providing activities through the WIOA system.

Iowa’s Department of Workforce Development is the lead agency for planning and implementation of the Unified Plan for WIOA. The Iowa Department of Human Rights (DHR) and its Division of Community Action Agencies (DCAA) are involved in the following WIOA implementation activities:

The DHR’s Division of Community Advocacy and Services is represented on the State Workforce Development Board Disability Access Committee, which is charged with addressing WIOA issues related to providing workforce services to individuals with disabilities, and is in a leadership position at the state level in assuring that local workforce boards are meeting mandatory one-stop certification requirements for accessibility.

The DCAA provides ongoing technical assistance to all Iowa community action agencies regarding participation on local WIOA boards, coordination of employment and training activities, and development and support of local Iowa Workforce Development (IWD) IowaWorks Centers.
In Iowa, the community action agencies coordinate employment and training activities with their local IowaWorks Centers and IWD’s PROMISE JOBS program (Promoting Independence and Self-Sufficiency through Employment). PROMISE JOBS is Iowa’s welfare reform employment program designed to assist Iowa’s Family Investment Program (FIP) recipients to become self-sufficient. These coordinated partnerships help provide equal access to employment and training opportunities to low-income families and individuals. Some of the opportunities available to agency clients through these coordination efforts include: job placement and recruitment, job loss assistance, training assistance, personal development, and employment related supports.

9.5. **Emergency Energy Crisis Intervention:** Describe how the State will assure, where appropriate, that emergency energy crisis intervention programs under title XXVI (relating to Low-Income Home Energy Assistance) are conducted in each community in the State, as required by the assurance under Section 676(b)(6) of the CSBG Act.

**Note:** This response will link to the corresponding CSBG assurance, item 14.6.

The Division of Community Action Agencies (DCAA) is the State’s lead agency for Iowa’s Low-Income Home Energy Assistance Program (LIHEAP). The DCAA administers LIHEAP by contracting with Iowa’s 17 community action agencies.

Iowa’s LIHEAP is a statewide program that assists qualifying low-income households in the payment of a portion of their winter heating costs and encourages energy conservation through client education and weatherization. A component of Iowa’s LIHEAP is the Emergency Crisis Intervention Program (ECIP). ECIP provides immediate assistance to households to alleviate life-threatening situations. ECIP payments are made for repair or replacement of a furnace or heating system, obtaining temporary shelter, emergency fuel deliveries, purchasing or repairing air conditioning equipment when medically necessary, purchasing blankets and/or heaters, purchasing fans, and transporting clients to cooling centers during times of extreme heat.

All agencies receive an annual LIHEAP monitoring onsite review and evaluation to ensure compliance with LIHEAP regulations. The DCAA’s LIHEAP Program Manager and Program Planner conduct the reviews.

A number of agencies also receive emergency energy crisis intervention funds through General Relief, United Way, Salvation Army, County Relief, Embrace Iowa, Emergency Solutions Grants Program, Emergency Food and Shelter National Board Program, churches, ministerial associations, local utilities, and customer contribution funds. These funds are used for emergency payment arrangements with local utilities, emergency fuel deliveries, and reconnection services.

9.6. **State Assurance: Faith-based Organizations, Charitable Groups, Community Organizations:** Describe how the State will assure local eligible entities will coordinate and form partnerships with other organizations, including faith-based organizations, charitable groups, and community organizations, according to the State’s assurance under Section 676(b)(9) of the CSBG Act.

**Note:** this response will link to the corresponding assurance, item 14.9

Iowa’s community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will address this CSBG Act assurance. The explanation must include a description of how their agency will coordinate, network, and develop partnerships with faith-based organizations, charitable groups, and community organizations that serve low-income families and individuals. Agencies are also required to sign a certification statement acknowledging that their agency understands and agrees to this CSBG assurance.
All agencies have processes in place for developing partnerships and coordinating programs and services. Although agencies report different processes, all agencies participate in community meetings, planning coalitions, have memberships on local boards and councils, and network with state and local service providers. Through these meetings, memberships, and networking, agencies share and receive information regarding services and resources for low-income families and individuals, and develop partnerships and coordinate with other anti-poverty organizations in their communities. These partnerships help ensure their clients will receive current information and referrals regarding available services and assistance.

In FFY 2018, Iowa’s agencies reported actively working with 5,151 public and private organizations to expand resources and opportunities in order to achieve family and community outcomes. Of those organizations, 1,058 were no-profit organizations and 654 were faith-based organizations.

The Division of Community Action Agencies’ CSBG program operations onsite reviews and CSBG organizational standards onsite assessments (CSBG Organizational Standard 2.1) include verifying the agency’s community-wide partnerships and the purpose for each of those partnerships.

9.7 Coordination of Eligible Entity 90 Percent Funds with Public/Private Resources: Describe how the eligible entities will coordinate CSBG 90 percent funds with other public and private resources, according to the assurance under Section 676(b)(3)(C) of the CSBG Act.

Note: this response will link to the corresponding assurance, item 14.3c.

Iowa’s community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will address this CSBG Act assurance. The explanation must include descriptions about how their agency will coordinate its CSBG funds or CSBG funded resources (i.e. office space, equipment, supplies, staff time) with public resources (funds and in-kind services received from city and county governments) and with private resources (funds, donations, and in-kind services received from: foundations, corporations, non-profits, private entities, etc.).

All agencies receive public and private funding, in-kind goods and services, and donations. In FFY 2018, agencies reported receiving over $212 million in federal, state, public, and private resources. Of the $212 million in resources, the following was leveraged from public and private entities:

- $ 2,130,442 – leveraged public (local) funding
- $ 2,056,266 – value of in-kind goods/services received from local government
- $ 16,975,950 – leveraged private funding
- $ 12,944,880 – value of donated items (food, clothing, furniture, etc.)
- $ 4,684,756 – value of in-kind services received from businesses

- $ 38,792,294 – TOTAL public (local) and private resources leveraged

Most agencies will use their public and private resources and CSBG funding to support their outreach services and outreach operation costs. Some outreach services supported by these funds and resources include: emergency food assistance, disaster and crisis assistance, utility assistance, rent assistance, case management services, prescription drugs, school supplies, household items, appliances, and clothing.

Agencies will also coordinate their public and private resources and CSBG funding to support, enhance, or expand agency administered client programs and services, and some agencies will use their public and private resources to meet matching or cost sharing requirements in order to leverage additional federal and state funding.
Coordination among Eligible Entities and State Community Action Association: Describe State activities for supporting coordination among the eligible entities and the State Community Action Association.

The Division of Community Action Agencies (DCAA) partners and coordinates with the Iowa Community Action Association (ICAA) and Iowa’s community action agencies on the following Community Action and CSBG initiatives:

State Plan Development: The DCAA included ICAA and the agencies in the development of the State Plan. See Section 3 (3.4a) for a description of the steps the DCAA took to involve ICAA and the agencies.

ICAA’s Legislative Agenda: Each year the ICAA governing board develops their legislative action and advocacy plan. ICAA includes the DCAA and the Iowa Commission on Community Action Agencies (the DCAA’s governing board) in their legislative agenda and policy interests discussions.

Iowa Commission on Community Action Agencies’ Legislative Agenda: Each year the commission makes recommendations to the Governor and Iowa’s General Assembly for executive and legislative action designed to improve the status of low-income people in the state. The commission includes ICAA in the development and implementation of the agenda.

Iowa Commission on Community Action Agencies’ Commission Meetings: At each commission meeting, the DCAA presents and discusses its programs and provides Community Action updates, and ICAA presents information about their programs, services, activities, and events.

The ICAA Annual Conference: Both DCAA CSBG Program Managers are members of the ICAA conference planning committee, and the DCAA provides funding and resources for conference training needs, workshop speakers, and recognition awards.

The DCAA Administrator and ICAA staff serve on the Region VII Regional Performance Innovation Consortia (RPIC). The Region VII RPIC provides training and technical assistance, coordinates state, regional and national efforts, and disseminates information on CSBG Organizational Standards, Results-Oriented Management and Accountability (ROMA), and Evidence-Based/Evidence-Informed Service Strategies.

State Training and Technical Assistance (T&TA) Plan: The DCAA collaborates with ICAA on the planning and development of the State’s comprehensive T&TA Plan.

Iowa Community Action Agency Trainings: The DCAA works with ICAA on identifying agency training needs and assisting ICAA on developing, organizing, and scheduling agency trainings.

The DCAA Administrator and DCAA CSBG Program Managers attend and present Community Action and CSBG information at the ICAA board meetings and the agencies’ ROMA Subgroup meetings.

Needs Assessment Committee: The Needs Assessment Committee consists of 7 members (both DCAA CSBG Program Managers, the ICAA Training Director, and 4 agency staff). The committee is responsible for designing client and community surveys, developing instructions and guidance for administering the surveys, and creating statewide reports.

Agency Client Tracking Systems: The DCAA and ICAA work the agencies and the agencies’ client tracking system vendors to ensure the systems track, collect, and report individual, family, and community level data, information, and outcomes.
9.9 **Communication with Eligible Entities and the State Community Action Association:** In the table below, describe the State’s plan for communicating with eligible entities, the State Community Action Association, and other partners under this State Plan. Include communication about annual hearings and legislative hearings, as described under Section 4, CSBG Hearing Requirements.

The Division of Community Action Agencies (DCAA) will send via e-mail, to the Iowa Community Action Association (ICAA) and Iowa’s community action agencies, the information and feedback the DCAA receives from the Office of Community Services (OCS) about the DCAA’s performance on the state accountability measures. The e-mail will be sent within 60 calendars days of the DCAA getting the information and feedback from OCS.

The DCAA Administrator will present the DCAA’s state accountability measures information and feedback to ICAA and the agencies’ Executive Directors at an ICAA governing board meeting. The DCAA’s CSBG Program Managers will present the information and feedback to the members of the ROMA Subgroup at one of their meetings.
9.11. **Performance Management Adjustment**: How is the State adjusting the Communication plan in this State Plan as compared to past plans? Any adjustment should be based on the State’s analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.

**Note**: This information is associated with State Accountability Measures 7Sb; this response may pre-populate the State’s annual report form.

On Iowa’s 2017 American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with the States Survey report, the Division of Community Action Agencies (DCAA) scored a 93 for Communication. Within the **Communication** category, the DCAA scored the following:
- 97 Responsiveness of Staff to Requests
- 95 Consistency of Responses
- 94 Clarity of Communication
- 93 Usefulness of Feedback
- 92 Frequency of Communication
- 86 Sufficiency of Information

ASCI scores of 80-89 are considered excellent, 90-100 exceptional.

**2019 ACSI report information will be included here.**

The following communication goals are in Iowa’s FFY 2018-2019 CSBG State Plan and Application:

**COMMUNICATION**
1. The DCAA Administrator will attend and report on the DCAA’s programs at all Iowa Community Action Association Board of Director meetings.
2. At least one DCAA CSBG Program Manager will attend and present a CSBG program report at all Iowa community action agency ROMA Subgroup meetings.

The DCAA met these communication goals in FFY 2018, and as of the date this State Plan was submitted, the DCAA was meeting these communication goals in FFY 2019.

Also, as of the date this State Plan was submitted, the DCAA has fulfilled the planned actions in its FFY 2018-2019 Communication Plan. See Iowa’s FFY 2018-2019 CSBG State Plan and Application – Section 9 (9.9).

**Based on a review of these results, the DCAA will determine if changes to its communication plans and efforts should be made. Any changes the DCAA decides to make will be included here.**
SECTION 10
Monitoring, Corrective Action, and Fiscal Controls

Monitoring of Eligible Entities (Section 678B(a) of the CSBG Act)

10.1. Specify the proposed schedule for planned monitoring visits including: full on-site reviews; on-site reviews of newly designated entities; follow-up reviews – including return visits to entities that failed to meet State goals, standards, and requirements; and other reviews as appropriate.

Fiscal Controls and Audits and Cooperation Assurance

10.11. Fiscal Controls and Accounting: Describe how the State’s fiscal controls and accounting procedures will a) permit preparation of the SF-425 Federal fiscal reports (FFR) and b) permit the tracing of expenditures adequate to ensure funds have been used appropriately under the block grant, as required by Block Grant regulations applicable to CSBG at 45 CFR 96.30(a).

   Integrated Information for Iowa (I/3) is the State of Iowa’s Enterprise Resource Planning system. I/3 supports Iowa’s financial processes such as accounts payable, accounts receivable, procurement, general accounting, fixed assets, budget preparation, and applicant tracking.

   The I/3 system requires at least two I/3 authorized individuals to approve each expenditure (claim for payment) that is entered into the system.

   The I/3 system allows authorized individuals to download information into I/3’s Data Warehouse software program. From the I/3 Data Warehouse, Iowa Department of Human Rights (IDHR), Central Administration accountants are able to query reports for financial information which enables the accountants to complete monthly revenue and expenditure reports in electronic spreadsheets (IDHR Report of Expenditures) with varying degrees of needed detail. The I/3 Data Warehouse allows the accountants to complete the SF-425 Federal fiscal reports accurately and timely.

   The IDHR, Central Administration adheres to: the State of Iowa’s payment policies and procedures in the State Accounting Policy and Procedures Manual, the State of Iowa’s purchasing rules and guidelines, and uses the Office of Management and Budget, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for guidance on allowable and unallowable costs.
Annually, Iowa’s community action agencies receive a CSBG fiscal monitoring onsite review and evaluation to determine financial management stability and compliance with CSBG regulations, contracts, procedures, and other requirements established by the State of Iowa and the Division of Community Action Agencies. The reviews include an examination and review of financial transactions, time sheets, management level compensation, interest earned documentation, indirect cost rate and cost allocation applications, and monthly funding requests and advances.

10.12. **Single Audit Management Decisions:** Describe State procedures for issuing management decisions for eligible entity single audits, as required by Block Grant regulations applicable to CSBG at 45 CFR 75.521. If these procedures are described in the State monitoring protocols attached under item 10.2, indicate the page number.

**Note:** This information is associated with State Accountability Measure 4Sd.

The following are the Iowa Department of Human Rights (IDHR), Central Administration’s procedures for issuing management decisions for Iowa community action agency annual audits:

Iowa’s community action agencies are required to contract with an independent auditing firm. The auditing firm’s Certified Public Accountants are required to audit all agency programs annually, including the CSBG Program.

The auditing firm is required to submit a completed audit to the agency. The agency is required to provide that audit to the IDHR, Central Administration, as directed in the agency’s CSBG contract. The IDHR, Central Administration reviews all agency annual audits.

Once the IDHR, Central Administration receives an agency audit, department accountants will:
- document the receipt of the audit,
- review all findings and questioned costs in the audit (if applicable),
- review the expenditures reported in the audit, and
- issue a response letter to the agency within 180 calendar days of receipt of the audit.

The response letter will notify the agency if the provisions in their IDHR contracts have been met and generally accepted accounting principles followed. Any audit issues or findings related to the agency’s IDHR contracts will be communicated in the response letter along with the necessary corrective action requirements.

The Office of Auditor of State reviews IDHR, Central Administration’s audit review procedures annually. The Office of Auditor of State also audits the IDHR annually for compliance with the requirements of laws, regulations, contracts, and grant applications. The audit of compliance is conducted in accordance with U. S. Generally Accepted Auditing Principles, the standards applicable to financial audits contained in Government Auditing Standards as issued by the Comptroller General of the United States, and the Office of Management and Budget, Uniform Administrative Requirements, Cost Principles, and Audit Requirements.

10.13. **Assurance on Federal Investigations:** Will the State “permit and cooperate with Federal investigations undertaken in accordance with Section 678D” of the CSBG Act, as required by the assurance under Section 676(b)(7) of the CSBG Act?

- Yes
- No

**Note:** This response will link with the corresponding assurance, item 14.7
10.14. **Performance Management Adjustment:** How is the State adjusting monitoring procedures in this State Plan as compared to past plans? Any adjustment should be based on the State’s analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If this State is not making any adjustments, provide further detail.

**Note:** This item is associated with State Accountability Measure 4Sb and may pre-populate the State’s annual report form.

On Iowa’s 2017 American Customer Satisfaction Index (ACSI) Eligible Entities Satisfaction with the States Survey report, the Division of Community Action Agencies (DCAA) scored a 95 for Monitoring and Corrective Action. Within the Monitoring and Corrective Action category, the DCAA scored a 96 for Consistency of Monitoring and a 94 for Usefulness of Visits. The consistency of monitoring and usefulness of visits scores were national maximums.

**2019 ACSI report information will be included here.**

The following monitoring goals are in Iowa’s FFY 2018-2019 CSBG State Plan and Application:

**MONITORING**

1. The DCAA will conduct CSBG program operations onsite reviews at:
   a. 6 of 17 agencies in FFY 2018
   b. 6 of 17 agencies in FFY 2019

2. The DCAA will conduct CSBG organizational standards onsite assessments at:
   a. 6 of 17 agencies in FFY 2018
   b. 6 of 17 agencies in FFY 2019

3. The DCAA will conduct CSBG organizational standards agency self-assessment desk-reviews for:
   a. 11 of 17 agencies in FFY 2018
   b. 11 of 17 agencies in FFY 2019

4. The DCAA will disseminate a CSBG program operations onsite review report within 60 calendar days of an agency’s onsite review exit date.

5. The DCAA will disseminate a CSBG organizational standards onsite assessment report within 60 calendar days of an agency’s onsite assessment exit date.

6. The DCAA will disseminate a CSBG organizational standards agency self-assessment validation report within 60 calendar days of receipt of an agency’s self-assessment.

7. All Iowa community action agency annual audits that require a management decision for audit findings will be issued a DCAA management decision within 180 calendar days of receipt of the annual audit.

The DCAA met all of its FFY 2018 monitoring goals, and as of the date this State Plan was submitted, the DCAA was meeting all of its FFY 2019 monitoring goals.

**Based on a review of these results, the DCAA will determine if changes to its monitoring and corrective action procedures and activities should be made. Any changes the DCAA decides to make will be included here.**
SECTION 11
Eligible Entity Tripartite Board

11.1. Which of the following measures are taken to ensure that the State verifies CSBG Eligible Entities are meeting Tripartite Board requirements under Section 676B of the CSBG Act? [Check all that applies]

☐ Attend Board meetings
☐ Review copies of Board meeting minutes
☐ Track Board vacancies/composition
☐ Other

Other:

1. CSBG program operations onsite reviews include a governing board structure (composition) review and a review of governing board rosters and board member attendance. Governing board rosters and board member attendance reviews confirm whether or not an Iowa community action agency is in compliance with the following Iowa CSBG program policies:

VACANCIES AND ATTENDANCE
Agencies must have policies for filling vacant governing board member seats in their by-laws.

The following are considered governing board deficiencies by Iowa’s CSBG Program:
- Agency governing board member seats that have been vacant for 9 months or longer
- Agency governing board members that have not attended any of the agency’s board meetings for 9 months or longer

2. CSBG organizational standards onsite assessments include a review of three CSBG organizational standards (5.1, 5.2, and 5.5) that address the requirements in Section 676B of the CSBG Act.

Agencies that are not scheduled to receive a CSBG organizational standards onsite assessment during FFY 2020 or FFY 2021 will be required to complete a CSBG organizational standards agency self-assessment. The Division of Community Action Agencies will validate, through a desk-review process, CSBG organizational standards 5.1, 5.2, and 5.5.

11.2. How often does the State require eligible entities (which are not on TAPs or QIPs) to provide updates (e.g., copies of meeting minutes, vacancy alerts, changes to bylaws, low-income member selection process, etc.) regarding their Tripartite Boards? [Check all that applies]

☐ Annually
☐ Semiannually
☐ Quarterly
☐ Monthly
☐ Other

11.3. Assurance on Eligible Entity Tripartite Board Representation: Describe how the State will carry out the assurance under Section 676(b)(10) of the CSBG Act that the State will require eligible entities to have policies and procedures by which individuals or organizations can petition for adequate representation on an eligible entities’ Tripartite Board.

Note: This response will link with the corresponding assurance, item 14.10.

Iowa’s community action agencies, as part of their annual CSBG Community Action Plan and Application, certify that their agency has procedures in place that meet the requirements in Section 676(b)(10) of the CSBG Act. The Division of Community Action Agencies (DCAA) also has CSBG contract requirements and written policies specific to this CSBG Act assurance.
As part of the DCAA’s CSBG program operations onsite reviews, the agency’s by-laws and governing board materials are reviewed to ensure the agency has written procedures in place that meet the requirements of this assurance.

11.4. Does the State permit public eligible entities to use, as an alternative to a Tripartite Board, “another mechanism specified by the State to assure decision-making and participation by low-income individuals in the development, planning, implementation, and evaluation of programs” as allowed under Section 676B(b)(2) of the CSBG Act.

■ Yes □ No

11.4a. If yes, describe the mechanism used by public eligible entities as an alternative to a Tripartite Board.

The Division of Community Action Agencies (DCAA) has written policies that allow Iowa’s public community action agency to use another governing board mechanism as an alternative to a tripartite governing board.

The following policy is included in Iowa’s CSBG policies and procedure manual:

Iowa’s public agencies may submit a request to use another governing board mechanism as an alternative to a tripartite governing board. The requested mechanism must assure decision making and participation by low-income individuals in the development, planning, implementation, and evaluation of programs funded under the CSBG Act; and the requested mechanism must meet the requirements in the Iowa Code (Chapter 216A.94). Public agencies interested in using another governing board mechanism must contact the DCAA for request and submittal instructions. Public agencies are not allowed to implement and use a mechanism that has not been approved (in writing) by the DCAA.

Currently, Iowa’s public community action agency has rules in its by-laws that require a tripartite governing board structure.
SECTION 12
Individual and Community Income Eligibility Requirements

12.1. **Required Income Eligibility**: What is the income eligibility threshold for services in the State?
- 125% of the HHS poverty line
- X % of the HHS poverty line (fill in the threshold):______%
- Varies by eligible entity

12.1a. Describe any State policy and/or procedures for income eligibility, such as treatment of income and family/household composition.

The following policies are included in Iowa’s CSBG policies and procedure manual:

**CLIENT INCOME ELIGIBILITY AND VERIFICATION**
Iowa’s community action agencies are required to use 125% of the most current U. S. Department of Health and Human Services (HHS) Poverty Guidelines as the ceiling for determining a client’s eligibility for CSBG funded services or benefits.

Agencies providing CSBG funded services or benefits to clients are required to verify the client’s income. Agencies must use Iowa’s Low-Income Home Energy Assistance Program (LIHEAP) procedures for verifying the income (see the State of Iowa—LIHEAP Procedures Manual). Once the income has been verified, the agency must use the most current HHS Poverty Guidelines for determining the client’s eligibility for the agency’s CSBG services or benefits.

**Income Eligibility for General/Short Term Services**: For emergency and non-emergency general/short term CSBG funded services or benefits, Iowa community action agencies can use proxy income verification procedures (obtaining a client’s income verification through another agency program) or self-declaration of income procedures to verify a client’s income. Once the income has been verified, the agency must use the most current U. S. Department of Health and Human Services (HHS) Poverty Guidelines for determining the client’s eligibility for the agency’s CSBG services or benefits.

**Income Eligibility for Families with Foster Children or Youth that are Wards of the Court**: The public funds for the child’s or youth’s support should not be used when verifying the family’s income for agency CSBG funded services or benefits. Once the income has been verified, the agency must use the most current HHS Poverty Guidelines for determining the family’s eligibility for the agency’s CSBG services or benefits.

**Poverty Line**: Iowa’s CSBG State Plan and Application (Section 12: Individual and Community Income Eligibility Requirements) establishes the poverty line for Iowa’s CSBG Program.
12.2. **Income Eligibility for General/Short Term Services:** For services with limited in-take procedures (where individual income verification is not possible or practical), how does the State ensure eligible entities generally verify income eligibility for services? An example of these services is emergency food assistance.

The following policy is included in Iowa’s CSBG policies and procedure manual:

*Income Eligibility for General/Short Term Services:*

For emergency and non-emergency general/short term CSBG funded services or benefits, Iowa community action agencies can use proxy income verification procedures (obtaining a client’s income verification through another agency program) or self-declaration of income procedures to verify a client’s income. Once the income has been verified, the agency must use the most current U. S. Department of Health and Human Services (HHS) Poverty Guidelines for determining the client’s eligibility for the agency’s CSBG services or benefits.

As part of their CSBG Community Action Plan and Application, agencies are required to explain how their agency verifies client income and determines client eligibility for emergency and non-emergency general/short term agency CSBG funded services and benefits.

As part of the Division of Community Action Agencies (DCAA) CSBG program operations onsite reviews, the DCAA inspects a sample of the agency’s emergency and non-emergency general/short term services client income verification and eligibility documentation from the last three (3) years, if applicable. The inspection confirms whether or not the agency is verifying client income and determining client eligibility as described in their CSBG application, and is using 125% of the HHS Poverty Guidelines as the ceiling for determining eligibility for clients receiving agency CSBG funded emergency and non-emergency general/short term services or benefits.

12.3. **Community-targeted Services:** For services that provide a community-wide benefit (e.g., development of community assets/facilities, building partnerships with other organizations), how does the State ensure eligible entities’ services target and benefit low-income communities?

The following policy is included in Iowa’s CSBG policies and procedure manual:

*COMMUNITY-TARGETED SERVICES*

Iowa community action agency CSBG supported community-targeted services must benefit low-income communities. The agency is responsible for having supporting information available for the Division of Community Action Agencies (DCAA) to inspect.

As part of their CSBG Community Action Plan and Application, agencies are required to explain how their agency ensures the community-targeted services their agency uses CSBG funds to support targets and benefits low-income communities.

As part of the DCAA’s CSBG program operations onsite reviews, the DCAA inspects the agency’s community-targeted services documentation from the last three (3) years (if applicable) to confirm the purpose of the services the agency supported with CSBG funds benefitted low-income communities.
SECTION 13
Results Oriented Management and Accountability (ROMA) System

13.1. ROMA Participation: In which performance measurement system will the State and all eligible entities participate, as required by Section 678E(a) of the CSBG Act and the assurance under Section 676(b)(12) of the CSBG Act?

Note: This response will also link to the corresponding assurance, item 14.12.

☐ The Results Oriented Management and Accountability (ROMA) System
☐ Another performance management system that meets the requirements of section 678E(b) of the CSBG Act
☐ An alternative system for measuring performance and results

13.1a. If ROMA was selected in item 13.1, attach and/or describe the State’s written policies, procedures, or guidance documents on ROMA.

The model ROMA performance measurement system that the Office of Community Services facilitated the development of is the Community Action National Performance Indicators (NPIs). Iowa’s CSBG Program adopted and uses the Community Action NPIs for community action data collection and reporting. The Community Action NPIs measure the impact Iowa’s community action programs, services, and initiatives have on individuals, families, and communities, and measure progress towards achieving the three national Community Action goals:

1. Individuals and families with low incomes are stable and achieve economic security.
2. Communities where people with low incomes live are healthy and offer economic opportunity.
3. People with low incomes are engaged and active in building opportunities in communities.

Iowa’s CSBG policies and procedures manual includes written policies, procedures, and Iowa community action agency participation requirements on implementing the ROMA performance measurement system; and Iowa’s CSBG Community Action Plan and Application includes Community Action NPI collection and reporting requirements.

Iowa’s CSBG policies and procedures manual also includes ROMA concept policies. These policies require agencies to follow the ROMA cycle of assessment, planning, implementation, achievement of results, and evaluation for planning and administering their CSBG application and agency-wide strategic plan. This ensures that each agency’s CSBG application and strategic plan will be outcome-based, anti-poverty focused, and tie directly to community needs assessments.

The Division of Community Action Agencies also includes ROMA participation requirements in the CSBG contracts it issues to the agencies.

13.1b. If ROMA was not selected in item 13.1, describe the system the State will use for performance measurement.

N/A
13.2. Indicate and describe the outcome measures the State will use to measure eligible entity performance in promoting self-sufficiency, family stability, and community revitalization, as required under Section 676(b)(12) of the CSBG Act?

**Note:** This response will also link to the corresponding assurance, item 14.12.

- CSBG National Performance Indicators (NPIs)
- NPIs and others
- Others

13.3. How does the State support the eligible entities in using the ROMA system (or alternative performance measurement system)?

**Note:** The activities described under item 13.3 may include activities listed in “Section 8: Training and Technical Assistance.” If so, mention briefly, and/or cross-reference as needed. This response will also link to the corresponding assurance, item 14.12.

Iowa law (2019 Iowa Acts, House File 756) addresses and provides the requirements for how Iowa’s FFY 2020 and FFY 2021 CSBG allotments are to be distributed and allocated by the Division of Community Action Agencies (DCAA). The Iowa law does not distribute or allocate CSBG funds to the DCAA for remainder/discretionary activities.

Although the DCAA does not receive CSBG funding for remainder/discretionary activities, the DCAA still collaborates with and provides support to Iowa’s community action agencies in using the ROMA performance measurement system. The following are the DCAA’s ROMA support initiatives:

- Iowa’s CSBG Community Action Plan and Application: Iowa’s CSBG application requires agencies to follow the ROMA cycle of assessment, planning, implementation, achievement of results, and evaluation for planning and developing their CSBG application. This CSBG application ensures that each agency’s CSBG program will be outcome-based, anti-poverty focused, and tie directly to community needs assessments.

- ROMA Subgroup Meetings: The DCAA CSBG Program Managers attend all of the agencies’ ROMA Subgroup meetings. This subgroup meets at least five (5) times a year. The subgroup is made up of agency staff that have ROMA and CSBG roles and responsibilities at their agencies. The CSBG Program Managers are on all meeting agendas and provide federal and state CSBG and Community Action updates and information.

- Iowa Community Action Association (ICAA) Annual Conference: Both DCAA CSBG Program Managers are members of ICAA’s conference planning committee, and the DCAA provides funding and resources for conference training needs, workshop speakers, and recognition awards. Each year the conference offers ROMA training and information workshops.

- State Training and Technical Assistance (T&TA) Plan: The DCAA collaborates with ICAA on the planning and development of the State’s comprehensive T&TA Plan. The T&TA Plan includes ROMA training opportunities for the agencies.

- Iowa Community Action Agency Trainings: The DCAA works with ICAA on identifying agency training needs and assisting ICAA on developing, organizing, and scheduling agency trainings. ICAA provides on-site, online, and on-demand ROMA training for agency staff and agency governing board members. The ICAA Training Director is a Master ROMA-Certified Trainer.

- Nationally Certified ROMA Trainer and Implementer Candidates: The DCAA supports, and will continue to support, agency staff that plan to submit an application to the ROMA-Certified Trainer or ROMA-Certified Implementer training programs.
Agency Client Tracking Systems: The DCAA and ICAA work with the agencies’ client tracking system vendors to ensure the systems track, collect, and report individual, family, and community level data, information, and outcomes.

Needs Assessment Committee: The Needs Assessment Committee consists of 7 members (both DCAA CSBG Program Managers, the ICAA Training Director, and 4 agency staff). The committee is responsible for designing client and community surveys, developing instructions and guidance for administering the surveys, and creating statewide reports. The DCAA has community assessment data and information on its website that agencies can access and use to develop a comprehensive community assessment (CSBG Organizational Standards – Category 3).

13.4. **Eligible Entity Use of Data:** How is the State validating that the eligible entities are using data to improve service delivery?

**Note:** This response will also link to the corresponding assurance, item 14.12.

Annually, Iowa’s community action agencies are required to complete and submit a CSBG Community Action Plan and Application to the Division of Community Action Agencies (DCAA). The CSBG application requires agencies to follow the ROMA cycle of assessment, planning, implementation, achievement of results, and evaluation for planning and administering their CSBG program. This ensures their agency’s CSBG program will be outcome-based, anti-poverty focused, and tie directly to community needs assessments.

The CSBG application’s evaluation section requires agencies to: 1) report the final outcomes of their agency’s individual and family programs and services, and community initiatives using the ROMA performance measurement system: Community Action NPIs, 2) review the final outcomes to determine the impact their agency’s programs, services, and initiatives have had on individuals, families, and communities, and 3) explain how they will use their final outcomes review to make adjustments and improvements to their agency’s individual and family programs and services, and community initiatives. The DCAA reviews each agency’s Community Action NPIs throughout the CSBG program year and provides feedback. The DCAA also inspects and discusses the Community Action NPIs with the agency during their CSBG program operations onsite review.

The DCAA’s CSBG organizational standards onsite assessments includes confirming that agencies are updating their governing board on the progress and outcomes in their CSBG application (CSBG Organizational Standard 4.4) and their agency’s strategic plan goals (CSBG Organizational Standard 6.5). Also, the DCAA reviews and confirms agency operational or strategic program adjustments and improvements to their CSBG application or their agency’s strategic plan goals as a result of the agency’s progress and outcomes reports (CSBG Organizational Standard 9.3)

Annually, agencies are required to provide information about changes they made to improve service delivery and enhance impact for individuals, families, and communities with low incomes based on their agency’s review and analysis of performance data and information. The DCAA reviews the information the agency provides. The DCAA also discusses the information with the agency during their CSBG program operations onsite review.
Community Action Plans and Needs Assessments

13.5. Describe how the State will secure a Community Action Plan from each eligible entity, as a condition of receipt of CSBG funding by each entity, as required by Section 676(b)(11) of the CSBG Act.

**Note:** this response will link to the corresponding assurance, item 14.11.

Annually, Iowa’s community action agencies are required to complete and submit an agency CSBG Community Action Plan and Application to the Division of Community Action Agencies (DCAA). Agency CSBG application requirements are addressed in the Iowa Administrative Code (427-22.5), Iowa’s CSBG policies and procedures manual, and in the CSBG application instructions. DCAA review and acceptance requirements are also addressed in the Iowa Administrative Code (427-22.6), Iowa’s CSBG policies and procedures manual, and in the CSBG application instructions. An agency’s CSBG application must be accepted by the DCAA before a CSBG contract will be issued to the agency.

No CSBG costs incurred are reimbursable until the agency receives a CSBG contract that is signed by the DCAA Administrator.

13.6. **State Assurance:** Describe how the State will assure that each eligible entity includes a community needs assessment for the community served (which may be coordinated with community needs assessments conducted by other programs) in each entity’s Community Action Plan, as required by Section 676(b)(11) of the CSBG Act.

**Note:** this response will link to the corresponding assurance, item 14.11.

Annually, Iowa’s community action agencies are required to complete and submit a CSBG Community Action Plan and Application to the Division of Community Action Agencies (DCAA). The CSBG application instructions and forms require agencies to follow the ROMA cycle of assessment, planning, implementation, achievement of results, and evaluation for planning and administering their CSBG program. This ensures their agency’s CSBG program will be outcome-based, anti-poverty focused, and tie directly to community needs assessments.

The CSBG application’s assessment section requires agencies to use their community needs assessment report when planning and determining the individual and family programs and services their agency will implement, and the community initiatives their agency will implement and participate in during the CSBG program year.

Agencies must include a copy of their community needs assessment report (or the executive summary from the report) with their CSBG application.

The explanation must include information about how their agency will use their CSBG funds to support youth development programs, programs and services with youth components, and, if applicable, information about the youth development programs that their agency plans to be significantly involved with during the next two CSBG program years. Agencies are also required to sign a certification statement acknowledging that their agency understands and agrees to this CSBG assurance.

All agencies support, collaborate, and make client referrals to the youth programs in their communities. Some of the youth programs and services agencies are involved with include: teen pregnancy education, youth employment, mentoring, after school programs, job training, park and recreation activities, education and reading programs, college scholarships, anti-bullying programs, drug and alcohol programs, abstinence education, suicide prevention, and volunteering.

A number of agencies administer programs that include youth components, such as, the Family Development and Self-Sufficiency program; Women, Infants, and Children (WIC); and Stork’s Nest. These programs provide health, nutrition, counseling, education, and protection services for youth and teenaged parents.

Coordination of Other Programs

14.1c. 676(b)(1)(C) Describe how the State will assure “that funds made available through grant or allotment will be used—

The explanation must include information about how their agency will use their CSBG funds or CSBG funded resources (i.e. office space, equipment, supplies, staff time) to support or coordinate with other programs and services that are designed to assist low-income families and individuals. Agencies are also required to sign a certification statement acknowledging that their agency understands and agrees to this CSBG assurance.

All agencies refer their clients to other public and private anti-poverty organizations that provide programs and services for low-income Iowans. These referrals expand the resources and assistance opportunities for the clients and their families.

The Division of Community Action Agencies’ CSBG program operations onsite reviews and CSBG organizational standards onsite assessments include a review of the agency’s partnerships with public and private anti-poverty organizations.
State Use of Discretionary Funds

14.2 676(b)(2) Describe “how the State intends to use discretionary funds made available from the remainder of the grant or allotment described in section 675C(b) in accordance with this subtitle, including a description of how the State will support innovative community and neighborhood-based initiatives related to the purposes of this subtitle.”

14.3a. 676(b)(3)(A) Describe “the service delivery system, for services provided or coordinated with funds made available through grants made under 675C(a), targeted to low-income individuals and families in communities within the State;

Annually, ninety-six percent (96%) of Iowa’s CSBG allotment is distributed to Iowa's community action agencies. All 99 counties in Iowa will receive CSBG funded programs and services through these agencies. The agencies are required to use their CSBG allocation for efforts to reduce poverty, revitalize low-income communities, and empower low-income families and individuals.

Agencies, as part of their CSBG Community Action Plan and Application, are required to describe their agency’s service delivery system. The description must include: their agency’s service delivery system for providing programs and services to low-income families and individuals; information about their agency's service area, office locations, accessibility, and intake processes; how their agency will provide or coordinate services for low-income families and individuals that need services and assistance during their agency’s non-business hours; how their agency will provide or coordinate services for low-income families and individuals that are unable to come to their offices for services or assistance (e.g. home visits, phone calls); and how their agency will provide or coordinate services for low-income individuals with disabilities or special needs (e.g. a physical disability, deafness, blindness).

All agencies have outreach site office systems in place for serving clients. Outreach staff are trained to provide case management and assessment services for clients and their families. These services ensure that clients will be enrolled and/or referred to appropriate assistance programs and services. Outreach staff also provide follow-up case management and assessment services as needed.

For clients that are homebound or are unable to visit an agency for programs and services, agencies provide assistance by phone, mail, electronic communications, and/or home visits. Some agencies have special outreach services hours in the mornings or evenings to serve working clients and those who are unable to visit the agency during normal business hours.

**Note:** The description above is about eligible entity use of 90 percent funds to support these initiatives. States may also support these types of activities at the local level using State remainder/discretionary funds, allowable under Section 675C(b)(1)(F). In this State Plan, the State indicates funds allocated for these activities under item 7.9(f).

Iowa's community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will use their CSBG funds to support innovative community and neighborhood-based initiatives related to the purposes of the CSBG. The explanation must include: information about how their agency will use its CSBG funds or CSBG funded resources (i.e. office space, equipment, supplies, staff time) to support community and neighborhood initiatives that are designed to revitalize low-income communities; information about the community and neighborhood initiatives their agency is planning to be significantly involved with during the next two CSBG program years; and, if applicable, how their agency will use their CSBG funds or CSBG funded resources to support fatherhood initiatives and initiatives that have goals of strengthening families and encouraging parental responsibility.

All agencies use their CSBG funds or CSBG funded resources to support community and neighborhood initiatives and strategies. Some of the community initiatives and strategies agencies are involved with include: health clinics, dental clinics, mental health centers, substance abuse programs, immigration services, flood recovery, small business start-up, low-income housing projects, neighborhood clean-ups, after school care programs, community centers, and building renovations.

Agencies also use their CSBG funds or CSBG funded resources to support a number of family and effective parenting initiatives. These initiatives are mostly components of the programs and services they administer, such as, the Family Development and Self-Sufficiency program; Head Start and Early Head Start programs; Women, Infants, and Children (WIC); Maternal Health; and Child Health. The fatherhood initiatives included in these programs and services encourage fathers to participate in meetings, activities, and literacy events that focus on family relationships and parenting skills.
All agencies report supporting, collaborating, and partnering with programs and services in their communities that focus on strengthening families and encouraging effective parenting.

Eligible Entity Emergency Food and Nutrition Services

14.4. **676(b)(4)** Describe how the State will assure “that eligible entities in the State will provide, on an emergency basis, for the provision of such supplies and services, nutritious foods, and related services, as may be necessary to counteract conditions of starvation and malnutrition among low-income individuals.”

Iowa’s community action agencies, as part of their CSBG Community Action Plan and Application, are required to explain how their agency will address this CSBG Act assurance. The explanation must include information about how their agency will ensure food will be provided in emergency situations to low-income families and individuals that are seeking immediate food assistance, and information about the emergency food programs and services their agency is planning to be significantly involved in during the next two CSBG program years. Agencies are also required to sign a certification statement acknowledging that their agency understands and agrees to this CSBG assurance.

All agencies operate their own food pantries and/or partner with existing pantries in their service area, and provide food or food vouchers for emergency purposes. In most emergency situations, agencies provide clients with a 3 to 7 day supply of nutritious food. Clients with transportation problems are referred to other food providers or delivered a food package. Once a client’s emergency food needs are met, agencies will assess and provide case management services to the client and enroll them or refer them to appropriate food assistance and other necessary programs and services.

The agencies also administer a number of programs and services that address the conditions of starvation and malnutrition. Programs and services, such as, the Child and Adult Care Food Program; Women, Infants, and Children (WIC); farmers’ markets; holiday food projects and baskets; garden and canning programs; surplus foods; nutritional counseling and education services; and congregate and senior meals.

Fifteen agencies administer the Head Start and/or the Early Head Start programs. Children participating in these programs receive nutritious meals during the day.

Since FFY 2005, the agencies have partnered with the Iowa Department of Human Services to provide outreach and enrollment support for Iowa’s Food Assistance program (SNAP). This effort has assisted in leveraging thousands of dollars in additional Food Assistance program funds for Iowa’s low-income families and individuals.

15.2 Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

(6) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(7) If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

(8) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

- **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).
Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)
